CURB MARKET CHAIRMAN MAKES HIS WORD GOOD

Had Truck Load of Vegetables and Produce on Hand this Morning

PEOPLE READY TO PATRONIZE

Joseph Haube, chairman of the Curb Market Committee of the Chamber of Commerce, made good his promise to the people of Charleroi, when he said on Saturday last that he would have green goods at the curb market this morning, if he had to bring them in himself. Mr. Haube made this statement after it was brought to his attention on Saturday morning last that none of the gardeners and farmers who had promised to have green goods at such a market failed to put in an appearance, much to the disappointment of many of our local citizens.

Mr. Haube said at the time that definite and absolute promises had been made by a number of growers to bring in their trucks, loaded with vegetables and produce, but their failure only emphasized the determination of the chairman of the committee to make good, and he did so this morning.

Mr. Haube had on sale quite a variety of vegetables, such as beans, peas, lettuce, rhubarb, carrots, onions, beets, as well as buttermilk and eggs. He opened his market on Sixth street, just below Fallowfield avenue, and his first customer was Mr. Artz of the Hotel Wellington, his second the Chinese laundryman, across the way, the third John Schaffer, and the fourth Mr. West of the Hotel Monier. Other customers followed and it was not long until Mr. Haube had disposed of practically all of his supplies.

His experience this morning served to demonstrate the fact that if the gardeners and farmers of the near-by districts would only avail themselves of the opportunities thus afforded of disposing of their supplies, they could do it in a much shorter space of time than by traveling all over town and hunting up customers. The people would be glad to patronize such an institution if they were only assured that gardeners would be on hand with their produce. If a sufficient number would take part arrangements would undoubtedly be made so that the market could be held in all kinds of weather, by the erection of a temporary building or covered platform in the vicinity of Sixth street and Long alley, which would be available to all outside growers.

It is to be hoped that Mr. Haube's efforts will be seconded by our people, for if the proper encouragement is given the curb market will be an unqualified success.

A truck load of produce was also brought to the market by Mrs. Norman C. Brown, of near Oakland Park, which likewise found a ready sale. Mrs. Brown, by attending the curb market, showed her faith in the undertaking and undoubtedly will be

TOO MANY CUT-OUTS ARE BEING USED

Chief of Police Albright calls attention of automobile drivers to the illegal use of cut-outs. A local ordinance prohibits the use of cut-outs within the borough limits, but in spite of this prohibition considerable complaint is made because some drivers persist in their use. The Chief promises to take action unless the practice is discontinued.

FIRST RAID MADE UNDER WONER ACT

The first raids under the provisions of the new Woner act were made Monday evening in the southeastern section of the county. Six persons were placed under arrest as either manufacturers or sellers of intoxicating drinks of various kinds discovered including 22 barrels of wine. Each barrel contained 50 gallons.

The raids were conducted by County Detectives John Weiner and Bert M. Laird, assisted by Chief of Police Lewis Vandever of Fredericktown. The raid by the officers created much excitement and in some instances large crowds gathered while the places were being searched.

Three towns were included in the dragnet: Fredericktown, Millsboro, and Besco. The defendants arrested were Charles Mays and John Studik of Besco; Thomas and Joseph Abraham, father and son, respectively, and Tony Recupero, all of Millsboro; and Rose Ugelini of Fredericktown.

They were arraigned before Justice of the Peace G. C. McClelland of Fredericktown, and all are said to have pleaded guilty to the charges against them. Mays and Studik were the only ones unable to furnish bail and they were taken to the county jail.

Rose Ugelini, one of the defendants, is an old offender, having appeared in court before for alleged violations of the liquor laws.

There is no guess work in our method of cleaning carpets and porch runners. Every feature of our work is absolutely right in every detail. When you entrust your work in our hands you are certain that it will come back to you in faultless condition and our charges are reasonable. Our work is neither magnified or misrepresented. Many of our customers are duplicating their orders, after seeing the quality of our work. Have us serve you now. Electric Carpet Cleaning Co., 719 Fallowfield avenue, R. L. Yenny, manager. If we have any rights on the island of Yap, let it be understood there is to be no \$25,000,000 come back.

a regular patron of this new departure in civic affairs of the community. Her action will in all probability be followed by other gardeners and growers of the Maple creek and Fallowfield township districts.

Japanese Garden Party to Be Held Thursday Evening

The Women's Council met last evening and made their final plans for the big Japanese Garden Party which is to be held on Thursday evening of this week at 7 p. m., to be held on the McKean lawn, Fifth and Lincoln. This promises to be one of the biggest social events of Charleroi. A splendid organization has been built up with which to carry out this event to its utmost detail. Ice cream, lemonade, and cake will be served in abundance.

The tickets which are being sold at 25 cents each, will give admission to the grounds and also will include the enjoyment of the music and entertainment, and pageants which will be given on the part of the children. Ice cream, cake, and lemonade will be served in addition to the general admission.

NEW COACH FOR CHARLEROI HIGH

J. Willard Shields, of East Palestine, Ohio, a graduate of the Washington and Jefferson College, has been elected as coach for the athletic teams of the Charleroi High school, to begin his duties at the opening of the school term in September. Mr. Shields comes to Charleroi, highly recommended by R. M. Murphy of W. & J. who was manager for years in that institution for athletic teams, and who has been serving for some time as registrar of the College. Shields played center on the Washington and Jefferson team of last year, and is fully capable of taking charge as coach of a High school team. With the available material on hand in the Charleroi High he ought to have a winning combination during the next football season. Mr. Shields will also teach history and civics in the High school.

WASHINGTON OPENS CHILDREN'S PLAYGROUNDS

The five playgrounds operated in Washington under the direction of the Washington Playground Association, opened for the summer season Monday morning at 9 o'clock. Long before the opening hour the children were on hand ready for the day's play under the supervision of the directors. The little folks put in the whole day and thus were kept at wholesome amusement by the capable staff of directors and assistants.

NO REPRESENTATIVES FROM THIS COUNTY

The Military Training Association of Pittsburgh First National Bank building, has issued a bulletin, giving the names and addresses of those young men of the State who have made applications to attend the Citizens' Military Training Camp, which will be held by the federal government this summer. The list is complete up to June 3, 1921, and this number will be considerably augmented. The total number of applications up to the date mentioned is 423, with representatives from 43 out of the 67 counties in the commonwealth. No applications were made from Washington or Greene counties, but there are quite a number from Allegheny and counties to the north and east of us.

The offer of the government is open to all young men over 16 years of age, the government furnishing everything that is necessary in the way of equipment, as well as providing comfortable quarters and a splendid mess. The training period lasts for the month of August, and camps are so admirably located as to make them splendid places in which to spend a summer outing, and at the same time receive splendid instruction in the way of training.

MONESSEN KNIGHTS TO DANCE AT ELDORA PARK

The Monessen Knights of Columbus will hold their first summer dance on Friday evening, June 24, for which invitations have been issued. Heretofore the K. of C. dances have been for members only and were splendid social affairs. It is now the wish of the Council to share this pleasure with others, and the coming dance will therefore be an open invitation social event at Eldora Park. The music will be furnished by Irvin's "Pep" orchestra, formerly of Altoona. All indications point to a fine social success.

ASKS FOR SUPPORT IN ENFORCEMENT OF WONER ACT

NORMAL SUMMER SCHOOL NOW OPEN

The Summer school at the California Normal opened on Monday, with the largest enrollment of students in its history. Every room in the buildings have been filled, and many rooms taken in private homes in the town. It is said there will be more strangers in California the coming nine weeks than during the regular school year.

EQUIPMENT FOR PLAYGROUNDS HERE

The material ordered for the playgrounds to be installed at the Fifth street and Ninth street schools, reached Charleroi yesterday afternoon, and the work of erecting same will be commenced at the earliest possible moment. This announcement will be pleasant news to the children of the community, who have, for some time been anxiously looking forward to the time when they might be permitted to enjoy this privilege. At one time it was thought that the two playgrounds would be established on school properties on the hill; but, after due consideration, the members of the committee are of the belief that the interests of the children will be best served by placing the playgrounds at the aforementioned locations. The children of the lower part of town, they are numerous, have no place to give vent to their pent up energies but in the street, where danger lurks at every turn; and in the hope of minimizing whatever chances there may be of danger and possible fatalities it was deemed preferable to give them a place, where, under proper supervision, they might enjoy themselves to their heart's content.

It is hoped to have the equipment on both grounds ready for use by the end of the present month, if not before. Concrete bases are to be laid for the different pieces of equipment, after which the children will be given their chance to put the system to a proper test.

DINNER MATCH WAS QUITE A SUCCESS

The dinner match held at the Monongahela Valley Country Club on Saturday afternoon last was quite a success, over twenty teams taking part in the play. One side was captained by D. M. McCloskey of Charleroi and the other by Mr. Brown of Donora. The Brown side won by a score of 10 to 8, which left the losers to pay for the dinner. However it was a very pleasant affair, and was a forerunner of many more such pleasant events at the Carroll Hills center. Next Saturday the play will be a mixed foursome. The social events of the week will be a card party Tuesday afternoon for the ladies, and a dance in the evening for members and their families.

District Attorney Mails Copy of Law to Local Officials in County

CAN NOW OBTAIN SOME ACTION

District Attorney Erwin Cummins has taken up the enforcement of the Woner act, passed at the last session of the State Assembly, to replace the Brooks' law, which regulates and provides penalties for violation of laws restraining the sale of liquors in the State of Pennsylvania.

Heretofore the District Attorney has been hampered in this work by lack of state laws, and what prosecutions he made were under the former Brooks' law, which did not cover many phases of the national prohibition law. Under the new law all local officials such as justices of the peace, burgesses, constables and chief of police have full power to proceed under the new state law.

The district attorney's office is now busy preparing the various forms of indictments under the new law and in making a study of the act with a view to a proper and vigorous enforcement. In order to help with this work the District Attorney asks all local officers and good citizens to cooperate with him in this effort to uphold law and order. He believes that the proper way to enforce prohibition is to strike at the root of the liquor evil by taking action against liquors.

Under the Brooks law prosecutions could not be made for the manufacture of "raisin jack" unless it could be shown that it was sold. The prosecution had to be done by national prohibition agents, but under the Woner act the possession of a still, some mash and a little of the finished product is sufficient evidence to convict. The possession of Jamaica ginger in a store for beverage purposes, without proof of sale, is now a misdemeanor.

Letters are received almost every day by the District Attorney from various sections of the county complaining of the manufacture and sale of intoxicating beverages, but only about one in 20 is signed. As a result the officers from the district attorney's office have no person from whom to secure authentic information in regard to the alleged violator as the people who possess this information refuse to sign their names to the letters of complaint. If people will sign all such complaints the information will be kept confidential by the county officials.

In order that local officers may understand the new law, the district attorney has mailed out copies of the Woner act to all justices of the peace, burgesses, constables and chiefs of police in Washington county, together with a letter asking for their support in making Washington county a better and safe place in which to live.

Distinguished honors were paid to Mrs. Warburton of Philadelphia, on Saturday, by the Republican State Committee at a meeting held in that city. Mrs. Warburton, who is a daughter of John Wanamaker, is vice chairman of the State Committee, and in the absence of Senator Crow of Fayette county, who is quite ill at his home, she was asked to preside at the meeting. Certainly a distinguished and unexpected honor. Mrs. Warburton took the gavel and presided to the satisfaction of all present. It was at this meeting that Col. Thomas Crago, of Waynesburg, was nominated for Congress-at-large to fill a vacancy now existing in the Pennsylvania delegation, and he will be voted for and undoubtedly elected at the general election to be held in November.

MOTOR PLANT IS RUNNING FULL TIME

According to the Flint, Mich., Daily Journal, there are 11,000 persons employed at the plant of the Buick Motor company. Orders are said to be pouring in on the company from all parts of the country, and on Wednesday, the 15th of June, 500 Buick cars, bound for Chicago, left that city in the afternoon. The cars were taken overland, and the line of cars, driven 260 feet apart, made a line 18 1-2 miles long. Although we may be passing through a period of industrial activity, there appears to be plenty of money to buy automobiles.
